PORCELAIN COLLECTION

2023

Just as dance our collection *Flamenco* is sensual, unique line, which evokes a passion and gives a story to the food on the plate itself.

PORCELAIN COLLECTION *designed by Miroslav Machek*

The company's Art Director, Miroslav Machek, concentrates mainly on porcelain and crystal glass. His motto is combining design, function and mass production. With his vision, technical expertise and knowledge of the limits of production machines, he creates a design that is accessible to all. His products are regularly exhibited at trade fairs at home and abroad.
